

AT THE EDGE OF PROMISE AND DESPAIR

- CAN I STAY Bryan Epps - Panel 1

“And those, who knows what’s right? The residents know what’s right? Do they count if they only lived there for three years versus them folks who lived there for 50 years? Do people who work in government know what’s right? So I just really became somebody who was interested in trying to wrestle with that and figure out solutions and theories behind that, and really in particular for Newark.”
